OUR SYMBOL AND MOTTO

The symbol of the Institution is significant in the field of learning and in the acquirement of knowledge. It signifies the banishment of darkness, in other words, ignorance, heralding in its place, light which symbolizes Knowledge and Enlightenment. We Indians, from time immemorial, have realized the value of fire and its power to purify. By adopting this symbol, the Kovai Kalaimagal Educational Trust highlights the significance of the Ever Burning Lamp. In accordance with this symbol, the motto

LIGHT THE LIGHT WITHIN

Acknowledges that there is a wick within each individual which awaits to be kindled and it is our objective to kindle and bring out the abilities and goodness that remain dormant within each individual

A finishing school programme is conducted during the summer vacation for the UG & PG pre final year students in which they are trained by HR personnel from reputed companies and Professional Trainers. This is a unique programme conducted only in our college. The programme is tailored to make our fresh graduates industry-ready or profession ready by providing them a balanced set of professional skills, technical skills, industry exposure, and a positive attitude to work and life.

NSS

Three NSS units are functioning for carrying out regular activities such as creating awareness among the public about the importance of protecting the environment, keeping the city green and clean, protecting the water bodies from pollution, rain water harvesting, increasing the green cover through seed balls, maintaining hygiene among the children of under privileged communities, arranging medical camps for the benefit of people living in remote areas and other activities which would benefit the people living in the nearby villages.

RED RIBBON CLUB

The Red Ribbon Club is functioning in this college in close association with our NSS units. Its main objective is to sensitize students regarding the need for voluntary blood donation. It also helps create awareness regarding various societal threatening diseases.

YOUTH RED CROSS

Under the guidance of the Programme Officer of YRC, the students are trained and encouraged to manage various programmes. The unit promotes training in first aid to the students and creating awareness about blood donation and its importance in saving precious lives and to conduct blood donation camps.

CERTIFICATE COURSES

Value Added Courses are designed to raise students' standards above and beyond the levels specified in the academic curriculum. It is included in the curriculum to improve students' employability and taught by department faculty or by collaborating with the industry to bridge the gap between the curriculum and the needs of the industry.

JOB ORIENTED COURSES

Every student should complete one job oriented course of minimum 20 hrs duration .The student may register in PMKVY (supported by the central government) or other external agency .They should submit a certificate for the successful completion of the training programme from the agency concerned at the end of the third semester

ONLINE COURSES

Students have to register for under going online courses in NPTEL /SWAYAM /MOOC / COURSERA /EDX etc and can appear for the examination in the same web portal or through the End Assessment Examinations conducted in our College.

TUTORIAL SYSTEM

For every 20 students a Tutor is made in charge to closely monitor their activities and academic progress, for the entire duration of the course. This enables a good rapport to be established between teacher and his/her ward and help the students overcome their learning difficulties.

CLASS COMMITTEE

The Principal and student representatives from each class are the members of the Class Committee which meets twice in a year to discuss the requirements of the students, difficulties faced by them in and outside the class to redress their grievances and to encourage and motivate them to enhance their skills.
