OUR SYMBOL AND MOTTO

The College symbol is significant in the field of learning and in the acquirement of knowledge. It signifies the banishment of darkness, in other words, ignorance, heralding in its place, light which symbolizes Knowledge and Enlightenment. We Indians, from time immemorial, have realized the value of fire and its power to purify. By adopting this symbol, the Kovai Kalaimagal Educational Trust highlights the significance of the Ever Burning Lamp. In accordance with this symbol, the motto

LIGHT THE LIGHT WITHIN

Acknowledges that there is a wick within each individual which awaits to be kindled and it is our objective to kindle and bring out the abilities and goodness that remain dormant within each individual
