Annual News Letter

Secretary's Messages

I am very much delighted to know that the Annual Newsletter of the year of 2021-2022 is being released and the hidden talents and creativity of our students are being exhibited.

I congratulate all our faculty and students for this endeavor. Our institution mould our students with confidence, courage, commitment and skills required to achieve their goals.

The Annual newsletter highlights the various innovative activities of the college which helps the students to become responsible citizen as we inculcate values and ethics in the minds through various enriched activities to students.

Principal's Desk

I am glad and congratulate the committee for releasing the Annual Newsletter for the academic year 2021-2022. The potentials of the students are curved out through the activities of the institution and mould them to face the

competitive world. Our institution provides a ladder for the students to achieve their goals.

Our mission is not just to attain excellence in academic but in nurturing and growing the fertile minds of students into productive and responsible citizens of our country with human values and character qualities. The impacting academic journey has added a new dimension towards empowering the students to face the challenges of the competitive globalized world.
