Stakeholders Feedback and Action Taken Report Academic Year: 2020-21

S.No	Observation / Suggested Feedback	Action Taken
1	The Stakeholders suggested to revise the syllabus for the elective courses Cloud Computing, Mobile Computing, Web Technology and its applications, Software Project Management, Data Mining & Data Warehousing, PHP & MYSQL and Artificial Intelligence & Expert Systems to be followed for the UG students.	The Stakeholders suggestion was considered and the revision was made under the Elective subjects.
2	Non Major Elective papers such as Organic Farming, Mushroom Cultivation along with Food Science and Nutrition in the III Semester, Flower Cultivation, Folk Medicine and Herbal Plants in the IV Semester are to be included for UG Students.	The recommended new courses to be included in the next academic year.
3	To include the new courses Network Simulator-2, Open Source Software using PHP-Practical and Cyber Law and Security Policy for PG students.	The following courses like Network Simulator-2 included under core paper, Open Source Software using PHP-Practical were included under Technical Skill Subject and Cyber Law and Security Policy were included under elective papers.
4	To utilize web resources for the development of academically weaker students.	Faculty members have utilized modern teaching aids like PPT, web-resources, etc for the growth of academically weaker students.
