Code of Ethics Policy

Kovai Kalaimagal College of Arts and Science formulated a Code of Ethics Policy for students, faculty, administrators and non-teaching staff. Codes of conduct are made available to all the stakeholders through its website. Every code of ethics is different and reflects the institution's ethics, values and discipline. The policy aims at outlining the fundamental character of ethics to be practiced at all levels in the institute.

Features of the Policy

- Creating a conducive environment, where every stakeholder understands and follows the rules & regulations framed by the institution.
- Guiding the Students and faculty behaviour adheres to Institution policies.
- Educating about the quality of their work to enhance the Institution's reputation.
- Be considerate and maintain professional interactions when communicating with others at all times & dignity of the profession in the workplace.
- Formulating the code of ethics for students, faculty, administrators, non-teaching staff and management.
- Make every individual clear of the consequence that will arise in the event of their failure to abide by the norms of the institution.
- Organize professional ethics programmes for students and staff.
- Formation of a committee comprising of senior faculty to plan and monitor the various activities to be carried out in order to meet the policy objective.
- Maintaining a professional relationship with parents of students and establishing appropriate communication related to the welfare of their children.
